STUDENT - can take tests and view old ones
Account
TAKE A TEST
Their avg grade
TABLE SHOWING PAST TESTS
SHOWS TEST NUMBER, DATE SUBMITTED, AND THE GRADE.
IF THEY CLICK ON THE TEST THEY CAN SEE ALL THE QUESTIONS AND WHAT THEY ANSWERED AND IF IT WAS RIGHT OR WRONG. WE DO NOT SHOW THE RIGHT ANSWERS IF THEY GOT IT WRONG
The test details would open a new page that looks the exact same as the test page but they can't attempt to submit and the answers will show if they were right or wrong.
when clicked we generate the test on a new page
header
Account
QUESTIONS AND MULTIPLE CHOICE OPTIONS (radio buttons for the options ?)
progress bar
SUBMIT
once clicked they get told their overall result for the test
could be a easy add on?
INSTRUCTOR - manages the nouns
